

SCNA Halloween Before Dark

October 27 from 2:00-5:00 pm

There's a lot happening in and around South Cornelia on October 27. Maybe you want trick-or-treating, dazzling house and yard decorations, and to see some nifty carved pumpkins?

This isn't just for kids as there's plenty for adults, too. Get on the Halloween Map at bit.ly/SCNAHBD2024.

When and Where: October 27, 2024 from 2:00 - 5:00 p.m. all over South Cornelia (plus Lake Cornelia and Lake Edina to a lesser extent).

The Marvelous Map of Festivities: See our marvelous map of festivities – treats, decorations, and carved pumpkins – at <https://southcornelia.org/halloween/>.

Tips for Zombies, Witches, Ghosts, and Trick-or-Treaters: Is your costume prepped? Are you stoked to walk around and see some festive folks? And most importantly, are you ready to score some sweet treats?!

You get to explore a diverse, spooky route with a parent/guardian and have information on how to expand the fun if you finish early.

Questions?

Maybe you want to know:

- Where do I sign up to distribute treats or show off home decorations/carved pumpkins?
- How can I be a good guide for the kids I'm responsible for?
- We finished our main route. Now what?
- How can I offer up treats my curbs, driveway, or yard?
- What if my home doesn't fall within the main zones?

You'll get all that and more on our SCNA page here: bit.ly/SCNAHBD2024

We're excited to see you on the spooky streets soon!

~The SCNA Stewardship Team

P.S. The only way to get the latest on the event and sign up for treats, decorations, or carved pumpkins is right here: <https://southcornelia.org/halloween/>

P.P.S. Halloween Before Dark *does not* replace Halloween trick-or-treating on October 31. It's a supplement to whatever you or your kiddos want to do to celebrate Halloween.
